The novel opens with Aunt Polly searching the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out theatrically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects sadly on Tom's madcap and how she let him get away with too much.

Tom comes home at supper. He has been skipping classes and has about his adventures. During supper, Aunt Polly asks Tom about his skipped school that afternoon and is amazed when Tom tells her his latest escapade—how he took to the barnyard and showed her that his rabbit is still alive from when he was born. Tom is relieved, but Aunt Polly is not. She is furious and threatens Tom with a whipping. Tom is(horizontal)

Tom goes out of the house into the street looking for more adventures. While wandering the streets, Tom sees Mark Twain, who is overwrought and arrogant. Tom and the new arrival chat and Tom persuades Mark. Tom has secured the job himself to dispose of the rabbit.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Jim passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of metal. Jim almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his tasks.

Tom comes home at suppertime and tells Aunt Polly all about his adventures. During supper, Aunt Polly brings up the subject of Tom’s skipping school that afternoon and being caught by the schoolmaster and having to learn the alphabet over again. Aunt Polly is satisfied, but Tom’s half-brother Huck shows Tom how to cheat the schoolmaster.

Tom goes out of the house and doesn’t return for some time. He runs into two boys, and they take Tom to a deserted and forgotten house. Tom and the two boys arrive at the house, and Tom says that he wants to take a look, and eventually clouds the newcomers all the way home.

Developmental psychology is the scientific study of how and why human beings change over the course of their life. Originally concerned with infants and children, the field has expanded to include adolescence, adult development, aging, and the entire lifespan. Developmental psychologists aim to explain how thinking, feeling, and behaviors change throughout life.
